Reporting to the Marine Environment Protection Committee

9 On the basis of the information maintained in accordance with this regulation, the Secretary-General of the Organization shall produce an annual report to the Committee summarizing the data collected, specifying the ships with an active ship account, trans action patterns in the issuance, transferring, usage and cancellation of surplus units and remedial units, share of zero or near -zero GHG emission technologies, fuels and/or energy sources (ZNZs) used by ships in IMO GFI Registry and other relevant information as may be requested by the Committee.

104 Refer to guidelines to be developed by the Organization.

105 Refer to the Code for Recognized Organizations (RO Code) (resolutions MSC.349(92) and MEPC.237(65)).

106 Refer to guidelines to be developed by the Organization.

107 Refer to guidelines to be developed by the Organization.

Regulation 39
Uptake of zero or near-zero GHG emission technologies, fuels and/or energy sources (ZNZs)

1 ZNZs shall include technologies, fuels and energy sources and be evaluated on a well-to-wake basis, taking into account guidelines to be developed by the Organization.108 The GFI threshold for ZNZs shall be set at not greater than 19.0 gCO 2eq/MJ for an initial period until 31 December 2034, and from 1 January 2035, the threshold shall be set at not greater than 14.0 gCO2eq/MJ taking into account guidelines developed109 and to be developed by the Organization.110 Notwithstanding, the Committee may approve additional ZNZs taking into account guidelines to be developed by the Organization.111

2 Ships may receive rewards from the IMO Net -Zero Fund for the ZNZs used, taking

Organization.110 Notwithstanding, the Committee may approve additional ZNZs taking into account guidelines to be developed by the Organization.111

2 Ships may receive rewards from the IMO Net -Zero Fund for the ZNZs used, taking into account guidelines to be developed by the Organization.112

3 No later than 1 March 2027 and every five years thereafter the Committee shall define the reward referred to in paragraph 2 of this regulation, and the methodology to determine such reward, taking into account guidelines to be developed by the Organization.113

4 The Organization shall monitor and publish the share of ZNZs in the total annual energy used on board by ships falling under the scope of chapter 5 of this Annex.

Regulation 40
The IMO Net-Zero Fund

1 The Secretary-General of the Organization shall establish the IMO Net-Zero Fund to support the implementation of this chapter and achieve its goal as set out in regulation 31 of this Annex. Any costs associated with the operation of the Fund and its Governing Board shall be borne by the Fund.

2 The IMO Net -Zero Fund shall receive and manage GHG emissions pricing

this Annex. Any costs associated with the operation of the Fund and its Governing Board shall be borne by the Fund.

2 The IMO Net -Zero Fund shall receive and manage GHG emissions pricing contributions made by ships pursuant to regulation 36, and disburse collected revenue in accordance with regulation 41.

3 The Committee shall adopt the governing provisions for the IMO Net -Zero Fund and appoint a Governing Board to oversee the day -to-day operations of the Fund on its behalf in accordance with the governing provisions.

4 The governing provisions, referred to in paragraph 3 of this regulation, shall include provisions on which entities may be eligible to receive funds from the IMO Net-Zero Fund; the types of financing mechanisms by which funds may be disbursed; the operating procedures of the IMO Net -Zero Fund and its Governing Board; which entities and organizations the IMO Net-Zero Fund may cooperate with in the disbursement of revenue; and allocations of revenue to the different purposes set out in regulation 41 of this Annex including those that promote a just and equitable transition in the context of this measure.

to the different purposes set out in regulation 41 of this Annex including those that promote a just and equitable transition in the context of this measure.

108 Refer to guidelines to be developed by the Organization.

109 Refer to the 2024 Guidelines on life cycle GHG intensity of marine fuels (resolution MEPC.391(81)).

110 Refer to guidelines to be developed by the Organization.

111 Refer to guidelines to be developed by the Organization.

112 Refer to guidelines to be developed by the Organization.

113 Refer to guidelines to be developed by the Organization.

5 The Governing Board shall have a gender and geographically balanced composition, ensuring adequate representation of developing countries, in particular of small island developing States (SIDS) and least developed countries (LDCs).

6 The Governing Board shall produce an annual report to the Committee containing an

ensuring adequate representation of developing countries, in particular of small island developing States (SIDS) and least developed countries (LDCs).

6 The Governing Board shall produce an annual report to the Committee containing an overview of its operations, including total contributions received, commitments and disbursement of revenue to the different purposes set out in regulation 41, and other relevant information as may be requested by the Committee.

7 On the basis of the Governing Board's annual report referred to in paragraph 6 of this regulation, the Committee shall periodically review the allocation of revenue to the different purposes set out in regulation 41.

8 The Fund shall be subject to audits.

Regulation 41
Disbursement of revenue

1 The IMO Net-Zero Fund shall disburse collected revenue for the following purposes, as shall be specified in its governing provisions:

.1 rewards for the use of ZNZs, in accordance with regulation 39 of this Annex;

.2 in the context of the implementation of this chapter and, promoting a just and equitable transition in States by facilitating environmental and climate

.1 rewards for the use of ZNZs, in accordance with regulation 39 of this Annex;

.2 in the context of the implementation of this chapter and, promoting a just and equitable transition in States by facilitating environmental and climate protection, adaptation and resilience building within the boundaries of the energy transition in shippi ng, paying particular attention to the needs of developing countries, in particular least developed countries (LDCs) and small island developing States (SIDS), allocating sufficient revenue, for:

.1 researching, developing and making globally available and deploying zero and near -zero GHG emission technologies, fuels and/or energy sources, supporting the energy transition of shipping, and developing the necessary maritime, coastal and port -related infrastructure and equipment;

.2 enabling a just transition for seafarers and other maritime workforce;

.3 facilitating information -sharing, technology transfer, capacity - building, training and technical cooperation supporting the
