recommending IHR States Parties to prioritize vaccination for seafarers and aircrews in line with the aforementioned Joint Statement,

NOTING FURTHER that, given the limited period of time ships are in port, single dose COVID-19 vaccines for seafarers would be preferable,

BEING CONSCIOUS of the limited and highly uneven access to COVID -19 vaccines around the world,

BEING ALSO CONSCIOUS of the need to protect seafarers through vaccination, as soon as possible, to facilitate their safe movement across borders,

BEING CONSCIOUS of the importance of cooperation among Member States,

NOTING that the UN Crisis Management Team for COVID -19, under the leadership of WHO, recognized that all countries should consider seafarers for essential allocation of vaccines,

BEING AWARE OF the possibility that countries may introduce requirements for proof of COVID-19 vaccination for international travel of seafarers as a condition of entry ,

COVID-19 vaccination for international travel of seafarers as a condition of entry , notwithstanding WHOs recommendations,3

1 RECOMMENDS that Member States and relevant national authorities:

.1 prioritize their seafarers, as far as practicable, in their national COVID -19 vaccination programmes, noting the advice of the WHO SAGE Roadmap4 for prioritizing the use of COVID -19 vacc ines in the context of limited supply published in November 2020. Proper consideration of extending COVID -19 vaccines to seafarers of other nationalities is also recommended, taking into account their national vaccines supply;

.2 consider exempting seafar ers from any national policy requiring proof of COVID-19 vaccination as a condition for entry, taking into account that seafarers should be designated as key workers, as they travel across borders frequently;

.3 develop appropriate plans, where feasible , to provide necessary

borders frequently;

.3 develop appropriate plans, where feasible , to provide necessary infrastructure and facilities to support COVID-19 vaccination of seafarers;

2 INVITES Member States, international organizations, shipping companies and other stakeholders to inform seafarers about the safety and possible benefits o f the COVID -19 vaccination, bearing in mind that taking the vaccination is a decision made on an individual basis;
