urging for the immediate release of the M/V Galaxy Leader and its crew,
NOTING the inevitable increased air emissions from ships as they reroute around Africa or transit the Red Sea and Gulf of Aden at increased speed,
RECALLING that the missile attack by the Houthis on the M/V Rubymar on 18 February 2024 resulted in the vessel sinking, causing pollution to the marine environment and consequential effects on the livelihoods of local communities,
RECALLING ALSO the shipping industry best practice guidance promulgated through IMO's website and the industry security website,
RECOGNIZING the IMO Secretary-General's commitment that IMO will continue to contribute to enhancing the safety of seafarers and transit of vessels of all States through the Red Sea and Gulf of Aden, and will closely monitor the situation, in collaboration with Membe r States and partners from the industry,
1 EXTENDS its deepest condolences to the families of those seafarers that lost their

and partners from the industry,
1 EXTENDS its deepest condolences to the families of those seafarers that lost their lives during the attack by the Houthis on the M/V True Confidence on 6 March 2024;
2 DEPLORES AND CONDEMNS in the strongest possible terms the illegal and unjustifiable attacks by the Houthis against commercial vessels transiting the Red Sea and the Gulf of Aden which threaten the safety and welfare of seafarers and the marine environment;
3 DEMANDS the Houthis immediately cease attacking commercial ships to ensure the safety and welfare of seafarers and the security of international shipping;
4 DEPLORES the Houthis' illegal seizure of the M/V Galaxy Leader and URGES the immediate and unconditional release of the M/V Galaxy Leader and its crew;
5 EMPHASIZES that all Member States should adhere to their obligations under the targeted UN arms embargo and take the necessary measures to prevent the direct or indirect

targeted UN arms embargo and take the necessary measures to prevent the direct or indirect
supply of arms and related materiel of all types to the Houthis, as called for in United Nations Security Council resolution 2216;
6 UNDERSCORES the paramount importance of preserving the safety and welfare of seafarers and URGES Member States and observer organizations to provide maximum assistance to seafarers affected by the Houthis' reckless actions;
7 ALSO UNDERSCORES the need to preserve the security of international shipping,

the marine environment, the maritime community, and the supply chains that sustain other nations;
8 STRESSES the critical importance of maintaining the freedom of navigation of commercial ships;
9 CALLS UPON all parties to seek to resolve the crisis through peaceful dialogue and diplomatic channels and ENCOURAGES any party that may have influence with the Houthis to use that influence to seek an end to Houthi attacks on commercial ships and seafarers;

to use that influence to seek an end to Houthi attacks on commercial ships and seafarers;
www.maritimeglobalsecurity.org

10 ENCOURAGES operators and vessels to carefully assess the nature and unpredictability of recent events, as well as the potential of continued Houthi attacks, when considering their current and imminent transit plans, based on vessel profile, business nee d and risk tolerance;
11 ENCOURAGES all parties to provide relevant information to IMO as appropriate;
12 DETERMINES to keep this matter under review and take such further action as may be necessary in light of developments, and INVITES other relevant Committees to do likewise as appropriate;
13 ACKNOWLEDGES the IMO Secretary-General's commitment that IMO will continue
