the medical certificate shall continue in force until the next port of call where a medical practitioner recognized by the Party is available, provided that the period shall not exceed three months.

RESOLUTION MSC.561(108) (adopted on 23 May 2024)

AMENDMENTS TO THE ANNEX TO THE INTERNATIONAL CONVENTION ON STANDARDS OF TRAINING, CERTIFICATION AND WATCHKEEPING FOR FISHING VESSEL PERSONNEL, 1995 (Revised annex to the 1995 STCW-F Convention)

7 In urgent cases the Administration may permit a crew member to work without a valid medical certificate until the next port of call where a medical practitioner recognized by the Party is available, provided that:

.1 the period of permission does not exceed three months; and

.2 the crew member concerned is in possession of an expired medical certificate of recent date.

CHAPTER II

Certification of skippers, officers in charge of a navigational watch, engineer officers and radio operators

Regulation II/1

CHAPTER II

Certification of skippers, officers in charge of a navigational watch, engineer officers and radio operators

Regulation II/1

Mandatory minimum requirements for certification of skippers on fishing vessels of 24 metres in length and over operating in unlimited waters

1 Every skipper on a fishing vessel of 24 metres in length and over operating in unlimited waters shall hold a certificate of competency.

2 Every candidate for certification shall:

.1 meet the requirements for certification as an officer in charge of a navigational watch on fishing vessels of 24 metres in length and over operating in unlimited waters, and have approved seagoing service of not less than 12 months as an officer in charge of a navigational watch or skipper on fishing vessels of not less than 12 metres in length. However, the Party may allow the substitution of a period not exceeding six months of approved seagoing service as an officer in charge of

not exceeding six months of approved seagoing service as an officer in charge of a navigational watch on seagoing ships covered by the 1978 STCW Convention; and

.2 meet the standard of competence specified in section A-II/1 of the STCW-F Code.

3 A candidate who holds a valid certificate of competency issued in accordance with the provisions of the 1978 STCW Convention need not be reassessed in those standards of competence listed in section A -II/1 of the STCW -F Code that were required at a highe r or equivalent level for the issuance of the corresponding 1978 STCW Convention certificate.

Regulation II/2

Mandatory minimum requirements for certification of officers in charge of a navigational watch on fishing vessels of 24 metres in length and over operating in unlimited waters

1 Every officer in charge of a navigational watch on a fishing vessel of 24 metres in
length and over operating in unlimited waters shall hold a certificate of competency.

length and over operating in unlimited waters shall hold a certificate of competency.
2 Every candidate for certification shall:
.1 be not less than 18 years of age;
.2 have approved seagoing service of not less than:
.1 12 months on fishing vessels or fishing training vessels of not less
than 12 metres in length as part of an approved training programme
which includes onboard training that meets the requirements of
section A -II/2 of the STCW -F Code and is documented in an
approved training record book; or

.2 two years in the deck department on fishing vessels of not less
than 12 metres in length. However, the Administration may allow the
substitution of the seagoing service by a period of special training

than 12 metres in length. However, the Administration may allow the
substitution of the seagoing service by a period of special training
not exceeding one year, provided that the period of the special
training programme shall be at least equivalent in value to the period
of the required seagoing service it substitutes or by a period of
approved seagoing service evidenced by an approved record book
covered by the 1978 STCW Convention;
.3 meet the standard of competence specified in section A-II/2 of the STCW-F
Code; and
.4 meet the applicable requirements of regulation II/6, as appropriate for
performing designated radio duties in accordance with the Radio
Regulations.
3 A candidate who holds a valid certificate of competency issued in accordance with
the provisions of the 1978 STCW Convention need not be reassessed in those standards of
competence listed in section A -II/2 of the STCW -F Code that were required at a highe r or

competence listed in section A -II/2 of the STCW -F Code that were required at a highe r or
equivalent level for the issuance of the corresponding 1978 STCW Convention certificate.
Regulation II/3
Mandatory minimum requirements for certification of skippers on fishing vessels of 24 metres
in length and over operating in limited waters

1 Every skipper on a fishing vessel of 24 metres in length and over operating in limited waters shall, unless they hold certificates issued in compliance with regulation II/1, hold a certificate of competency issued in compliance with at least the provisions of this regulation.
2 Every candidate for certification shall:
.1 meet the requirements for certification as an officer in charge of a navigational watch on fishing vessels of 24 metres in length and over operating in limited or unlimited waters, and have approved seagoing service of not less than 12 months as an officer in charge of a navigational watch or

of not less than 12 months as an officer in charge of a navigational watch or skipper on fishing vessels of not less than 12 metres in length. However, a Party may allow the substitution of a period not exceeding six months o f approved seagoing service as an officer in charge of a navigational watch on seagoing ships covered by the 1978 STCW Convention; and
.2 meet the standard of competence specified in section A-II/3 of the STCW-F Code.
3 The Party, bearing in mind the effect on the safety of all vessels and structures which may be operating in the same limited waters, should consider the limited waters it has defined in accordance with the definition given in regulation I/1 and determine any additional material that should be included in the standard of competence.
4 A candidate who holds a valid certificate of competency issued in accordance with the provisions of the 1978 STCW Convention need not be reassessed in those standards of
