Code and the Guidelines on the medical examination of fishing vessel personnel . These standards may, to the extent determined by the Party without prejudice to the safety of the fishing vessel personnel or the fishing vessel, differentiate between those persons seeking to start a career at sea and those fishing vessel personnel already serving at sea and between different functions on board, bearing in mind the different duties of fishing vessel personnel. They shall also take into account any impairment or disease that will limit the ability of the fishing vessel personnel to effectively perform their duties during the validity period of the medical certificate.
2 The standards of physical and medical fitness established by the Party shall ensure that fishing vessel personnel satisfy the following criteria:
.1 have the physical capability, taking into account paragraph 5 below to fulfil all the requirements of the basic safety training as required by section A-III/1;

all the requirements of the basic safety training as required by section A-III/1;
.2 demonstrate adequate hearing and speech to communicate effectively and detect any audible alarms;
.3 have no medical condition, disorder or impairment that will prevent the effective and safe conduct of their routine and emergency duties on board during the validity period of the medical certificate;
.4 are not suffering from any medical condition likely to be aggravated by service at sea or to render the fishing vessel personnel unfit for such service or to endanger the health and safety of other persons on board; and
.5 are not taking any medication that has side effects that will impair judgement, balance or any other requirements for effective and safe performance of routine and emergency duties on board.
3 Medical fitness examinations of fishing vessel personnel shall be conducted by appropriately qualified and experienced medical practitioners recognized by the Party.

appropriately qualified and experienced medical practitioners recognized by the Party.
4 Each Party shall establish provisions for recognizing medical practitioners. A register of recognized medical practitioners shall be maintained by the Party and made available to other Parties, companies and fishing vessel personnel on request.
5 Each Party shall provide guidance for the conduct of medical fitness examinations and issuing of medical certificates, taking into account the guidance given in section B-I/12 of this Code and the Guidelines on the medical examination of fishing vessel personnel . Each Party shall determine the amount of discretion given to recognized medical practitioners on the application of the medical standards, bearing in mind the different duties of fishing vessel personnel, except that there shall not be discretion with respect to the minimum eyesight standards for distance vision aided, near/immediate vision and colour vision in table A-I/12 for

df
standards for distance vision aided, near/immediate vision and colour vision in table A-I/12 for fishing vessel personnel in the deck department required to undertake lookout duties. A Party may allow discretion on the application of these standards with regard to fishing vessel personnel in the engine department, on the condition that fishing vessel personnel's combined vision fulfils the requirements set out in table A-I/12.
