2 The
on board
incident
purpose of the Plan i~ to provi~e guidance to the master and officers
the ship with respect to the steps to be taken when a pollution
has occurred or is likely to occur.
3 The Plan contains all information and operational instructions required
by the Guidelines. The appendices contain names, telephone, telex numbers,
etc., of all contacts referenced in the Plan, as well as other reference
material.
4 This Plan has been approved by the Administration and, except as provided
below, no alteration or revision shall be made to any part of it without the
prior approval of the Administration.
5 Changes to Section 5 and the appendices will not be required to be
approved by the Administration. The appendices should be maintained up to
date by the owners, operators and managers."
