b) for existing passenger ships on, or after 1 January 2018, subject to paragraph 2 of regulation 12bis,
except when the following conditions are satisfied:
the ship has in operation an approved sewage treatment plant which has been certified by the Administration to meet the operational requirements referred to in regulation 9.2.1 of this Annex, and the effiuent shall not produce visible floating solids nor cause discoloration of the surrounding water.
C General requirements
4 When the sewage is mixed with wastes or waste water covered by other Annexes of the present Convention, the requirements of those Annexes shall be complied with in addition to the requirements of this Annex."
4 New regulation 12bis is added as follows:
"12bis Reception facilities for passenger ships in Special Areas
1 Each Party, the coastline of which borders a special area, undertakes to ensure that:
.1 facilities for the reception of sewage are provided in ports and terminals which are in a special area and which are used by passenger ships;

1 Each Party, the coastline of which borders a special area, undertakes to ensure that:
.1 facilities for the reception of sewage are provided in ports and

terminals which are in a special area and which are used by
passenger ships;
.2 the facilities are adequate to meet the needs of those passenger
ships; and
.3 the facilities are operated so as not to cause undue delay to those
passenger ships.
2 The Government of each Party concerned shall notify the Organization of
the measures taken pursuant to paragraph 1 of this regulation. Upon
receipt of sufficient notifications in accordance with paragraph 1 of this
regulation, the Organization shall establish a date from which the
requirements of regulation 11.3 in respect of the area in question shall take
effect. The Organization shall notify all Parties of the date so established
no less than 12 months in advance of that date. Until the date so
established, ships while navigating in the special area shall comply with the
requirements of regulation 11.1 of this Annex."

ANNEX 17

RESOLUTION MSC.200(80)
(adopted on 13 May 2005)

ADOPTION OF AMENDMENTS TO THE REVISED RECOMMENDATION ON
TESTING OF LIFE-SAVING APPLIANCES

THE MARITIME SAFETY COMMITTEE,

RECALLING Article 28(b) of the Convention on the International Maritime Organization concerning the functions of the Committee,

RECALLING ALSO resolution A.689(17) on Testing of life-saving appliances, by which the Assembly, at its seventeenth session, adopted recommendations for test requirements for life-saving appliances,

RECALLING FURTHER that the Assembly, when adopting resolution A.689(17), authorized the Committee to keep the Recommendation on testing of life-saving appliances under review and to adopt, when appropriate, amendments thereto,

NOTING resolution MSC.81(70), by which, at its seventieth session, it adopted the Revised recommendation on testing of life-saving appliances, recognizing the need to introduce

review and to adopt, when appropriate, amendments thereto,

NOTING resolution MSC.81(70), by which, at its seventieth session, it adopted the Revised recommendation on testing of life-saving appliances, recognizing the need to introduce

more precise provisions for the testing of life-saving appliances based on the requirements of the International Life-Saving Appliances (LSA) Code,

BEING DESIROUS to identify and develop comprehensive performance testing and approval standards for personal life-saving appliances to ensure a good probability of survival for short duration water immersion,

HAVING CONSIDERED, at its eightieth session, amendments to the Revised recommendation on testing of life-saving applia nces, proposed by the Sub-Committee on Ship Design and Equipment at its forty-eighth session,

1. ADOPTS amendments to the Revised recommendation on testing of life-saving appliances (resolution MSC.81(70)), the text of which is set ou t in the Annex to the present resolution;

2. RECOMMENDS Governments to apply th e annexed amendments when testing life-saving appliances.
