sorting of reusable or recyclable material.

4.3 Procedures for processing garbage

4.3.1 Identify personnel responsible for the operation of the processing equipment.

4.3.2 Identify available processing devices and their capacities.

4.3.3 Identify the locations of processing devices and processing stations.

4.3.4 Identify the categories of garbage that are to be processed by each of the available processing devices.

4.3.5 Describe how material that can be reused or recycled is to be handled between primary processing stations and the storage or transfer stations.

4.3.6 Describe processing procedures used for the following:

.1 needs of reception facilities, taking into account available recycling arrangements;

.2 storage; and

.3 discharge into the sea in those limited situations where it is permitted.

4.3.7 Describe the training or education programmes to facilitate the processing of garbage and reuse or recycling of material.

4.3.8 Identify standard operating procedures for the operation and maintenance of the equipment used to manage garbage. This may be done by reference to documents available on board.

4.3.8 Identify standard operating procedures for the operation and maintenance of the

equipment used to manage garbage. This may be done by reference to documents available on board.

4.4 Procedures for storing garbage or reusable or recyclable material

4.4.1 Identify the locations, the intended use, and the capacities of available storage stations for each category of garbage or reusable or recyclable material.

4.4.2 Describe the condition of how the garbage will be stored (for example, "food frozen"; "cans compacted and stacked"; "paper compacted and should remain dry", etc.).

4.4.3 Describe how garbage, including reusable and recyclable material, is to be handled between storage stations and discharge with regard to the following:

.1 discharge to reception facilities, taking into account available recycling arrangements; and

.2 discharge into the sea in those limited situations where it is allowed.

ANNEX 26

RESOLUTION MEPC.221(63)
Adopted on 2 March 2012

2012 GUIDELINES FOR THE DEVELOPMENT OF A
REGIONAL RECEPTION FACILITIES PLAN

THE MARINE ENVIRONMENT PROTECTION COMMITTEE,

RECALLING Article 38(a) of the Convention on the International Maritime Organization concerning the functions of the Marine Environment Protection Committee conferred upon it by international conventions for the prevention and control of marine pollution,

REAFFIRMING the importance of providing adequate facilities for the reception of ship generated wastes and cargo residues in compliance with the International Convention for the Prevention of Pollution from Ships, 1973, as modified by the 1978 and 1997 Protocols,

RECOGNIZING that the burden of providing port reception facilities in all ports has been a barrier to some States' ratification of MARPOL,

RECOGNIZING FURTHER that the unique circumstances of Small Island Developing States

RECOGNIZING that the burden of providing port reception facilities in all ports has been a barrier to some States' ratification of MARPOL,

RECOGNIZING FURTHER that the unique circumstances of Small Island Developing States pose unique challenges for these States in meeting international shipping's needs for discharging ship generated wastes and cargo residues,

RECALLING the recognition by the Committee at its forty-ninth session that in certain areas regional arrangements are an acceptable way to satisfy MARPOL obligations to provide port reception facilities,

RECALLING ALSO the adoption of amendments to MARPOL Annexes I, II, IV, V and VI by resolutions MEPC. 216(63) and MEPC.217(63), respectively, to provide for regional arrangements for Small Island Developing States where a Regional Reception Facilities Plan has been developed in accordance with the Guidelines to be developed by the Organization,

HAVING CONSIDERED the draft 2012 Guidelines for the Development of a Regional

Reception Facilities Plan,

1. ADOPTS the 2012 Guidelines for the Development of a Regional Reception Facilities Plan, as set out in the annex to this resolution; and

Reception Facilities Plan,

1. ADOPTS the 2012 Guidelines for the Development of a Regional Reception Facilities Plan, as set out in the annex to this resolution; and

2. INVITES Governments to apply the Guidelines, when considering the development of a Regional Reception Facilities Plan, upon the entry into force of the amendments to MARPOL Annexes I, II, IV, V and VI on regional arrangements for port reception facilities.
