ANNEX

ESTABLISHMENT OF INTERNATIONAL LRIT DATA EXCHANGE
ON AN INTERIM BASIS

The International LRIT Data Exch ange should be established and operated by the United States under the following conditions:

1 The International LRIT Data Exchange s hould comply with the salient aspects of:

(1) regulation V/19-1;

(2) the Performance standards;

(3) the technical standards and specifications approved by the Committee;

(4) the criteria for the location of the International LRIT Data Centre and the

(1) regulation V/19-1;

(2) the Performance standards;

(3) the technical standards and specifications approved by the Committee;

(4) the criteria for the location of the International LRIT Data Centre and the International LRIT Data Exchange; and

(5) any guidance in relation to financial and operational matters issued by the Committee.

2 The International LRIT Data Exchange would be provided by the United States at their own expense and, in this respect, the United States has clarified that its present intention was that consistent with their domestic laws and pr ocurement regulations, the capital, operating and maintenance costs for the interim International LRIT Data Exchange would be borne by the United States. Their intention was that none of the LRIT Data Centres and none of the Contracting Governments would be required to make any payment to the United States for the services provided by the International LRIT Data Exchange.

3 The United States, while not withdrawing their reservation, duri ng the eighty-second session of the Committee, with respect to th e decision of Committee in relation to the

services provided by the International LRIT Data Exchange.

3 The United States, while not withdrawing their reservation, duri ng the eighty-second session of the Committee, with respect to th e decision of Committee in relation to the appointment of the Internationa l Mobile Satellite Organization as the LRIT Co-ordinator, will co-operate fully and will meet all its obligations vis-à-vis IMSO as LRIT Co-ordinator in respect of participation of IMSO in the initial developm ental testing and in connection with the audit of the performance of the Internati onal LRIT Data Exchange within the framework established by regulation V/19-1 and section 14 of the Performance standards.

4 The Contracting Governments agree that the United States does not assume any form of liability in case of any technical failure of the International LRIT Data Exchange. However, the LRIT information should be secured and not be accessible.

ANNEX 10

RESOLUTION MSC.244(83)
(adopted on 5 October 2007)

ADOPTION OF PERFORMANCE STANDARD FOR PROTECTIVE COATINGS
FOR VOID SPACES ON BULK CARRIERS AND OIL TANKERS

THE MARITIME SAFETY COMMITTEE,

RECALLING Article 28(b) of the Convention on the International Maritime Organization concerning the functions of the Committee,

HAVING ADOPTED, by resolution MSC.215(82), the Performance standard for protective coatings for dedicated seawater ballast tanks in all types of ships and double-side skin spaces of bulk carriers and, by resolution MSC. 216(82), amended SOLAS regulation II-1/3-2 to make the performance standard mandatory;

RECOGNIZING the need to also develop a perf ormance standard for protective coatings for void spaces on bulk carriers and oil tankers,

HAVING CONSIDERED, at its ei ghty-third session, the pro posed Performance standard for protective coatings for void spaces on bulk carriers and oil tankers,

for void spaces on bulk carriers and oil tankers,

HAVING CONSIDERED, at its ei ghty-third session, the pro posed Performance standard for protective coatings for void spaces on bulk carriers and oil tankers,

1. ADOPTS the Performance standard for protective coatings for void spaces on bulk carriers and oil tankers, the text of which is set out in the Annex to the present resolution;

2. INVITES Member Governments to utilize the Performance standard when applying protective coatings to void spaces on bulk carriers and oil tankers.

RESOLUTION MSC.244(83)
(adopted on 5 October 2007)
ADOPTION OF PERFORMANCE STANDARD FOR PROTECTIVE
COATINGS FOR VOID SPACES ON BULK CARRIERS AND OIL TANKERS MSC 83/28/Add.2
ANNEX 10

ANNEX

PERFORMANCE STANDARD FOR PROTECTIVE COATINGS FOR VOID SPACES
ON BULK CARRIERS AND OIL TANKERS

1 PURPOSE

This Standard provides technical requirements for protective coatings for void spaces constructed of steel in bulk carriers and oil tankers.

2 DEFINITIONS

For the purpose of this Standard, the following definitions apply:
