adoption of, and amendments to, performance standards and technical specifications,
resolving that the function of adopting maritime safety -related performance standards and technical specifications, as well as amendments thereto, shall be performed by the Committee, on behalf of the Organization,
HAVING CONSIDERED, at its 107th session, the recommendation made by the Sub-Committee on Ship Systems and Equipment, at its ninth session,
1 ADOPTS the International Code of Safety for Diving Operations, 2023 (2023 Diving Code), set out in the annex to the present resolution;
2 INVITES Member States concerned to:
.1 consider the provisions of the 2023 Diving Code as recognized international provisions for the design, construction and survey of diving systems, diving units and hyperbaric evacuation systems; and
.2 take appropriate action to give effect to the 2023 Diving Code.
