should comply with all requirements prescribed in SOLAS chapter IV that are applicable to a
ship sailing through the same area.4 Each unit should also report its position to the relevant
World-Wide Navigational Warning Service (WWNWS) NAVAREA Coordinator when arriving
on-site, in order for a Navigational Warning to be broadcast.5 Additionally, units should infor
m the
NAVAREA Coordinator when departing from that site, in order for the broadcast to be
cancelled.
11.5.2 On units which do not have a navigation bridge, it should be possible to initiate
transmission of the distress alerts by the radio installation specified in SOLAS
regulations IV/10.1.1, 10.1.2 and 10.1.4, as applicable, from a position in an accessible and
protected area which is accept
