RESOLUTION MEPC.403(83) (adopted on 11 April 2025)

account the guidelines developed by the Organization.70 The middle point of rating level C shal l
be the value equivalent to the required annual operational CII set out in paragraph 4 of this regulation.
Corrective actions and incentives
7 A ship rated as D for three consecutive years or rated as E shall develop a plan of corrective actions to achieve the required annual operational CII.
8 The SEEMP shall be reviewed to include the plan of corrective actions accordingly , taking into account the guidelines to be developed by the Organization.71 The revised SEEMP shall be submitted to the Administration or any organization duly authorized by it 72 for verification, preferably together with, but in no case later than 1 month after reporting the

shall be submitted to the Administration or any organization duly authorized by it 72 for verification, preferably together with, but in no case later than 1 month after reporting the
attained annual operational CII in accordance with paragraph 2 of this regulation.
9 A ship rated as D for three consecutive years or rated as E shall duly undertake the planned corrective actions in accordance with the revised SEEMP.
10 Administrations, port authorities and other stakeholders as appropriate, are encouraged to provide incentives to ships rated as A or B.
Review
11 This regulation shall be kept under review in light of its implementation, taking into account the IMO Strategy on Reduction of GHG Emissions from Ships.
Regulation 29
Promotion of technical cooperation and transfer of technology relating to the improvement of energy efficiency of ships73
1 Administrations shall, in cooperation with the Organization and other international bodies, promote and provide support, as appropriate, directly or through the Organization to States that request technical assistance, especially developing States.
