Regulation 42
Promotion of technical cooperation and transfer of technology relating to the continuous
improvement of the ship's GHG fuel intensity
1 Administrations shall, in cooperation with the Organization and other international
bodies, promote and provide support, as appropriate, directly or through the Organization to
States that request technical assistance, especially developing States.
2 The Administration of a Party shall cooperate actively with other Parties, subject to its
national laws, regulations and policies, to promote the development and transfer of technology
and exchange of information to States which request technical assistan ce, particularly
developing States, in respect of the implementation of measures to fulfil the requirements of
chapter 5 of this Annex.
3 The Organization shall promote information -sharing, technology transfer,

developing States, in respect of the implementation of measures to fulfil the requirements of
chapter 5 of this Annex.
3 The Organization shall promote information -sharing, technology transfer,
capacity-building and technical cooperation to enable the development of the necessary
maritime, coastal and port -related infrastructure and equipment to support supply of zero or
near-zero GHG emission fuels and/or energy sources in developing States.
Regulation 43
Food security
The Committee shall:
.1 address, including avoiding, remedying and mitigating, the disproportionately
negative impacts of this chapter on food security, paying particular attention
to countries exposed to food insecurity; and
.2 keep the potential impacts of this chapter on food security under continuous
review.
Regulation 44
Review of the chapter
1 To ensure the continued achievement of the goal of this chapter, every five years a
review shall be completed by the Organization to assess the effectiveness of this chapter in
achieving its goal as set out in regulation 31 of this Annex, based on which it shall consider:

review shall be completed by the Organization to assess the effectiveness of this chapter in
achieving its goal as set out in regulation 31 of this Annex, based on which it shall consider:
.1 amending the annual GFI reduction factor (base target and direct compliance
target) in regulation 35 of this Annex;
.2 amending the threshold values for ZNZs as defined in regulation 39 of this
Annex; and
.3 the possible application of this chapter to ships of 400 gross tonnage and
above.
Chapter 6 – Verification of compliance with the provisions of this annex
Regulation 45
Application
Parties shall use the provisions of the Code for Implementation in the execution of their
obligations and responsibilities contained in this Annex.
