RESOLUTION MSC.37(63)
(adopted on 19 May 1994)
MSC 63/23/Add.1
ADOPTION OF AMENDMENTS TO THE CODE OF SAFETY FOR
DYNAMICALLY SUPPORTED CRAFT
THE MARITIME SAFETY COMMITTEE,
RECALLING Article 28(b) of the Convention on the International Maritime
Organization concerning the functions of the Committee,
RECALLING ALSO that the Assembly, when adopting resolution A.373(X) on
the Code of Safety for Dynamically Supported Craft (DSC Code) for Craft such
as hydrofoil boats and air-cushion vehicles which were increasingly being
introduced in international transport, authorized the Committee to amend the
Code as may be necessary,
NOTING that dynamically supported craft continue to be constructed and
operated internationally,
RECOGNIZING that the SOLAS Conference to be held on 17 and 24 May 1994
will be invited to adopt amendments which, inter alia, include a new chapter X
on safety measures for high speed craft, to make the provisions of the
International Code of Safety for High Speed Craft (HSC Code) mandatory under

will be invited to adopt amendments which, inter alia, include a new chapter X
on safety measures for high speed craft, to make the provisions of the
International Code of Safety for High Speed Craft (HSC Code) mandatory under
the 1974 SOLAS Convention, for craft constructed on or after 1 January 1996,
RECOGNIZING FURTHER the need to incorporate improvements to maritime
safety standards made since the adoption of the DSC Code in the provisions of
the current DSC Code for craft constructed before the HSC Code enters into
force,
HAVING CONSIDERED at its sixty-third session the text of the proposed
amendments to the DSC Code, which were developed while preparing the HSC Code
by a thorough revision of the DSC Code,
1. ADOPTS amendments to the DSC Code, the text of which is set out in the
Annex to the present resolution;
2. RECOMMENDS Governments to apply the amended DSC Code to craft constructed
before 1 January 1996.
