Sea and the Gulf of Aden have killed innocent seafarers and continue to jeopardize the lives and safety of seafarers,
NOTING ALSO that, despite repeated warnings from the international community, the Houthis have carried out around 50 dangerous and destabilizing maritime attacks since 19 November 2023,
HIGHLIGHTING that the Houthis' reckless actions are putting innocent lives at risk, disrupting the delivery of urgently needed humanitarian aid to those who need it most, increasing the cost of this humanitarian assistance, and destabilizing the region,
HIGHLIGHTING ALSO that the Houthis' reckless actions pose a direct threat to the freedom of navigation in one of the world's most critical waterways, are causing major disruptions to regional and global trade, and are impeding the movement of critical food, fuel, huma nitarian assistance, and other essential goods throughout the world,
NOTING that the 25 seafarers who make up the crew of the M/V Galaxy Leader who have
