RESOLUTION MSC.67(68)
(adopted on 4 June 1997)
ADOPTION OF AMENDMENTS TO THE SEAFARERS' TRAINING,
CERTIFICATION AND WATCHKEEPING (STCW) CODE
RESOLUTION MSC.67(68)
(adopted on 4 June 1997)
ADOPTION OF AMENDMENTS TO THE SEAFARERS' TRAINING,
CERTIF1CATION AND WATCHKEEPING (STCW) CODE
THE MARITL\.ffi SAFETY COMMITTEE ,
RECALLING AnicJe 28(b) of the Convention on the International Maritime Organization concerning the functions afthe Committee,
RECALLING FURTIlER article XII and regulation 1I1.2.3 of the International Convention on Standards of Training, Cenification and Watchkeeping for Seafarers (STeW), 1978. hereinafter referred to as "the Convention", concerning the procedures for amending part A of the Seafarers' Training, Certification and Watchkeeping (STeW) Code,
HAVING CONSIDERED resolution 5 of the] 995 Conference of Parties to the 1978 STeW Convention and relevant provisions addressing the training of personnel on fa-TO passenger ships in crisis management and human behavi our,
HAVING ALSO CONSIDERED, at its sixty-eighth session. amendments 10 part A of the STeW Code proposed and circulated in accordance with article XII(1)(a)(i) of the Convention,

management and human behavi our,
HAVING ALSO CONSIDERED, at its sixty-eighth session. amendments 10 part A of the STeW Code proposed and circulated in accordance with article XII(1)(a)(i) of the Convention,
1. ADOPTS, in accordance with article XII(I)(a)(iv) of the Convention , amendments to the STCW Code , the text of which is set out in the Annex to the present reso lutio~
2. DETERMINES , in accordance with article XII(l)(a)(vii)2 of the Convention, that the said amendments to the STeW Code shall be deemed to have been accepted on 1 July 1998, unless, prior 10 that date more than one third of Parties or Parties the combined merchant fleets of which constitute not less than 50010 of the gross tonnage of the world's merchant shipping of ships of 100 gross register tons or more , have notified their objections to the amendments ~
3. INVITES Parties to the STew Convention to note that, in accordance with article XII(1)(a)(ix) of the Convention, the annexed amendments to the STCW Code shall enter into force on I January 1999 upon their acceptance in accordance with paragraph 2 above~

the Convention, the annexed amendments to the STCW Code shall enter into force on I January 1999 upon their acceptance in accordance with paragraph 2 above~

4. REQUESTS the SecretaI)"-General, in conformity with article XlJ(1)(a)(, ') of the Convention, to transmit certified copies of the present resolution and the text of the amendments contained in the Annex to all Parties to the Convention ;

5. FURTHER REQUESTS the Secretary-General to transmit copies of this resolution and its Annex to Members of the Organization which are not Parties to the Convention .

RESOLUTION MSC.67(68)

(adopted on 4 June 1997)

ADOPTION OF AMENDMENTS TO THE SEAFARERS' TRAINING, CERTIFICATION AND WATCHKEEPING (STCW) CODE - 2 -

ANNEX

AMENDMENTS TO THE SEAFARERS' TRAINING, CERTIFICATION AND WATCHKEEPING (STCW) CODE

Section A~ V/2

Mandatory minimum requirements for the training and qualifications a/masters, officers, ratings and other personnel on rO-fO passenger ships

Section A-V/Z.5 is replaced by the following :

"Crisis management and human behaviour training

5 Masters, chiefmates , chief engineer officers, second engineer officers and any person having

other personnel on rO-fO passenger ships
Section A-V/Z.5 is replaced by the following :
"Crisis management and human behaviour training
5 Masters, chiefmates , chief engineer officers, second engineer officers and any person having responsibility for the safety of passengers in emergency situations shall:
.1 have successfully completed the approved crisis management and human behaviour training , required by regulation VIZ, paragraph 8, in accordance with their capacity, duties and responsibilities as set out in table A -V /2; and
.2 be required to provide evidence that the required standard of competence has been achieved in accordance with the methods and the criteria for evaluating competence tabulated in columns 3 and 4 of table A-V/2 ."
2 The following new table A-V/2 is inserted at the end of section A-V/2:

ADOPTION OF AMENDMENTS TO THE SEAFARERS' TRAINING, CERTIFICATION AND WATCHKEEPING (STCW) CODE - 7 -

3 The following new section A-VI3 is added after existing section A-Vl2 :

"Section A-V/l
Mandatory minimum requirements/or the training and qualifications o/maslers, officers, ratings and other personnel on passenger ships other than fa-fa passenger ships.

Crowd management training

The crowd management training required by regulation VI3, paragraph 4 for personnel

other personnel on passenger ships other than fa-fa passenger ships.

Crowd management training

The crowd management training required by regulation VI3, paragraph 4 for personnel designated on muster lists to assist passengers in emergency situations shall include, but not necessarily be limited to:

.1 awareness oCHfe-saving appliance and control plans, including:

.1.1 knowledge of muster lists and emergency instructions,

.1.2 knowledge of the emergency exits, and

.1.3 restrictions on the use of elevators ;

.2 the ability to ~ist passengers en route to muster and embarkation stations, including:

.2.1 the ability to give clear reassuring orders,

.2.2 the control of passengers in corridors, staircase and passage ways,

.2.3 maintaining escape routes clear of obstructions ,

.2.4 methods available for evacuation of disabled persons and persons needing special assistance . and

.2.5 search of accommodation spaces ;

.3 mustering procedures, including :

.3.1 the importance of keeping order ,

.3.2 the ability to use procedures for reducing and avoiding panic ,

.3.3 the ability to use, where appropria te, passenger lists for evacuation counts , and

.3 mustering procedures, including :
.3.1 the importance of keeping order ,
.3.2 the ability to use procedures for reducing and avoiding panic ,
.3.3 the ability to use, where appropria te, passenger lists for evacuation counts ,
and
.3.4 the ability to ensure that the passengers are suitably clothed and have donned
their life-jackets correctly .
RESOLUTION MSC.67(68)
(adopted on 4 June 1997)
ADOPTION OF AMENDMENTS TO THE SEAFARERS' TRAINING,
CERTIFICATION AND WATCHKEEPING (STCW) CODE -. -
Familiarization training
2 The familiarization training required by regulation V13, paragraph 5 shall at least ensure
attainment of the abilities that are appropriate to the capacity to be HUed and the duties and
responsibilities to be taken up, as follows :
Design and operational limifations
.] Abilit;y to properly understand and observe any operational limitations imposed on the
ship and to understand and apply performance restrictions, including speed limitations
in adverse weather, which are intended to maintain the safety ofhfe and the ship.
Safety training for personnel providing direct service to passengers in passenger spaces

in adverse weather, which are intended to maintain the safety ofhfe and the ship.
Safety training for personnel providing direct service to passengers in passenger spaces
3 The additional safety training required by regulation V /3, paragraph 6,. shall at least ensure attainment oftbe abilities, as follows:
Communication
.1 Ability to communicate with passengers during an emergency, taking into account '
.1.1 the language or languages appropriate to the principal nationalities of passengers carried on the particular route;
. 1.2 the likelihood that an ability to we an elementary English vocabulary for basic instructions can provide a means of communication with a passenger in need of assistance whether or not lhe passenger and crew member share a common language;
.1.3 the possible need to communicate during an emergency by some other means such as by demonstration, or hand signals, or calling attention to the location of instructions, muster stations, life-saving devices or evacuation routes , when oral communication is impractical ;
.1.4 the extent to which complete safety instructions have been provided to
.1.5

of instructions, muster stations, life-saving devices or evacuation routes , when
oral communication is impractical ;
the extent to which complete safety instructions have been provided to
passengers in their native language or languages; and
the languages in which emergency announcements may be broadcast during
an emergency or drill to convey critical guidance to passengers and to
facilitate crew members in assisting passengers.
Life-saving applianc es
.2 Ability to demonstrat e to passengers the use of personal life-saving appliances .
RESOLUTION MSC.67(68)
(adopted on 4 June 1997)
ADOPTION OF AMENDMENTS TO THE SEAFARERS' TRAINING,
CERTIFICATION AND WATCHKEEPING (STCW) CODE - 9 -
Passenger safety
4 The passenger safety training required by regulation VI3, paragraph 7, for masters, chief mates
and persons assigned immediat e responsibility for embarking and disembarking passengers
shall at least ensW'e attainment of the ability appropriate to their duties and responsibilities to
embark and disembark passengers with special anention to disabled persons and persons
needing assistance.
Crisis management and human behaviour training

embark and disembark passengers with special anention to disabled persons and persons needing assistance.

Crisis management and human behaviour training

5 Masters, chief mates, chief engineer officers, second engineer officers and any person having responsibility for the safety of passengers in emergency situations shall:

.1 have successfully completed the approved crisis management and human behaviour training, required by regulation V /3, paragraph 8, in accordance with their capacity, duties and responsibilities as set out in table A-VIZ ; and

.2 be required to provide evidence that the required standard of competence has been achieved in accordance with the methods and the cnteria for evaluating competence tabulated in columns 3 and 4 of table A-V/2."
