that the ship's attained EEDI is in accordance with the requirements in

chapter 4 of this Annex, and that the SEEMP required by regulation 26 of this

Annex is on board;

.2 a general or partial survey, according to the circumstances, carried out after a

major conversion of a new ship to which this regulation applies. The survey

shall ensure that the attained EEDI is recalculated as necessary and meets

the requirement of regulation 24 of this Annex, with the reduction factor

applicable to the ship type and size of the converted ship in the phase

corresponding to the date of contract or keel laying or delivery determined for

the original ship in accordance with regulation 2.2.16 of this Annex;

the original ship in accordance with regulation 2.2.16 of this Annex;

.3 in cases where the major conversion of a new or existing ship is so extensive

that the ship is regarded by the Administration as a newly constructed ship, the

Administration shall determine the necessity of an initial survey on attained

EEDI. Such a survey, if determined necessary, shall ensure that the attained

EEDI is calculated and meets the requirement of regulation 24 of this Annex,

with the reduction factor applicable corresponding to the ship type and size of

the converted ship at the date of the contract of the conversion, or in the

absence of a contract, the commencement date of the conversion. The survey

shall also verify that the SEEMP required by regulation 26 of this Annex is on

board and, for a ship to which regulation 27 applies, has been revised appropriately to reflect a major conversion in those cases where the major conversion affects data-collection methodology and/or reporting processes;

appropriately to reflect a major conversion in those cases where the major conversion affects data-collection methodology and/or reporting processes;
.4 for existing ships, the verification of the requirement to have a SEEMP on
board according to regulation 26 of this Annex shall take place at the first intermediate or renewal survey identified in paragraph 1 of this regulation, whichever is the first, on or after 1 January 2013;

.5 the Administration shall ensure that for each ship to which regulation 27 applies, the SEEMP complies with regulation 26.2 of this Annex. This shall be done prior to collecting data under regulation 27 of this Annex in order to ensure the methodology and processes are in place prior to the beginning of the ship's first reporting period. Confirmation of compliance shall be provided to and retained on board the ship;

.6 the Administration shall ensure that, for each ship to which regulation 28 applies, the SEEMP complies with regulation 26.3.1 of this Annex. This shall be done prior to 1 January 2023. Confirmation of compliance shall be provided to, and retained on board, the ship;
