Regulation 42

Promotion of technical cooperation and transfer of technology relating to the continuous

improvement of the ship's GHG fuel intensity

1 Administrations shall, in cooperation with the Organization and other international

bodies, promote and provide support, as appropriate, directly or through the Organization to

States that request technical assistance, especially developing States.

2 The Administration of a Party shall cooperate actively with other Parties, subject to its

national laws, regulations and policies, to promote the development and transfer of technology

and exchange of information to States which request technical assistan ce, particularly

developing States, in respect of the implementation of measures to fulfil the requirements of

chapter 5 of this Annex.

3 The Organization shall promote information -sharing, technology transfer,

-

developing States, in respect of the implementation of measures to fulfil the requirements of

chapter 5 of this Annex.

3 The Organization shall promote information -sharing, technology transfer,

capacity-building and technical cooperation to enable the development of the necessary

maritime, coastal and port -related infrastructure and equipment to support supply of zero or

near-zero GHG emission fuels and/or energy sources in developing States.

Regulation 43

Food security

The Committee shall:

.1 address, including avoiding, remedying and mitigating, the disproportionately negative impacts of this chapter on food security, paying particular attention to countries exposed to food insecurity; and

.2 keep the potential impacts of this chapter on food security under continuous review.

Regulation 44

Review of the chapter

1 To ensure the continued achievement of the goal of this chapter, every five years a review shall be completed by the Organization to assess the effectiveness of this chapter in achieving its goal as set out in regulation 31 of this Annex, based on which it shall consider:

-

review shall be completed by the Organization to assess the effectiveness of this chapter in achieving its goal as set out in regulation 31 of this Annex, based on which it shall consider:

.1 amending the annual GFI reduction factor (base target and direct compliance target) in regulation 35 of this Annex;

.2 amending the threshold values for ZNZs as defined in regulation 39 of this Annex; and

.3 the possible application of this chapter to ships of 400 gross tonnage and above.

Chapter 6 – Verification of compliance with the provisions of this annex

Regulation 45

Application

Parties shall use the provisions of the Code for Implementation in the execution of their obligations and responsibilities contained in this Annex.

Regulation 46

Verification of compliance

1 Every Party shall be subject to periodic audits by the Organization in accordance with the audit standard to verify compliance with and implementation of this Annex.
