.5 An additional survey either general or partial, according to the circumstances,

shall be made whenever any important repairs or renewals are made as

prescribed in paragraph 5 of this regulation or after a repair resulting from

investigations prescribed in paragraph 6 of this regulation. The survey shall be

such as to ensure that the necessary repairs or renewals have been effectively

made, that the material and workmanship of such repairs or renewals are in all

-

investigations prescribed in paragraph 6 of this regulation. The survey shall be

such as to ensure that the necessary repairs or renewals have been effectively

made, that the material and workmanship of such repairs or renewals are in all

respects satisfactory and that the ship complies in all respects with the

requirements of chapter 3 of this Annex.

2 In the case of ships of less than 400 gross tonnage, the Administration may establish

appropriate measures in order to ensure that the applicable provisions of chapter 3 of this Annex

are complied with.

3 Surveys of ships as regards the enforcement of the provisions of this Annex shall be

carried out by officers of the Administration.

.1 The Administration may, however, entrust the surveys either to surveyors

nominated for the purpose or to organizations recognized by it.

Such organizations shall comply with the guidelines adopted by the

Organization.8

.2 The survey of marine diesel engines and equipment for compliance with

regulation 13 of this Annex shall be conducted in accordance with the revised

NOx Technical Code 2008.

.3 When a nominated surveyor or recognized organization determines that the

-

regulation 13 of this Annex shall be conducted in accordance with the revised

NOx Technical Code 2008.

.3 When a nominated surveyor or recognized organization determines that the

condition of the equipment does not correspond substantially with the

particulars of the certificate, it shall ensure that corrective action is taken and

shall in due course notify the Administration. If such corrective action is not

taken, the certificate shall be withdrawn by the Administration. If the ship is in a

port of another Party, the appropriate authorities of the port State shall also be notified immediately. When an officer of the Administration, a nominated surveyor or recognized organization has notified the appropriate authorities of the port State, the Government of the port State concerned shall give such officer, surveyor or organization any necessary assistance to carry out their obligations under this regulation.

.4 In every case, the Administration concerned shall fully guarantee the completeness and efficiency of the survey and shall undertake to ensure the necessary arrangements to satisfy this obligation.
