(Contracting Governments) shall be able to receive, pursuant to the provisions of the regulation,

LRIT information transmitted by ships,

RECALLING FURTHER that, at its seventy-ninth session, it had agreed that the purpose

and scope of long-range identification and trac king should be extended to include safety and

environmental protection applications,

ALSO RECALLING that regulatio n V/19-1.8.1 states that, subject to the provisions of

regulations V/19-1.8.2 to V/19-1.11.2, Contracting Governments shall be able to receive LRIT

information about ships, for security and other purposes as agreed by the Organization,

NOTING that the use of LRIT information for safety and marine environment protection

purposes would provide significan t added value through an improvement of the knowledge of

ships positions and identity,

BEARING IN MIND that the conditions for th e entry into force of regulation V/19-1

have been met and the regulation will enter into force on 1 January 2008,
HAVING CONSIDERED, at its eighty-third session, a proposal to allow the use of
LRIT information for safety and marine envi ronment protection purposes stating that the

have been met and the regulation will enter into force on 1 January 2008,
HAVING CONSIDERED, at its eighty-third session, a proposal to allow the use of
LRIT information for safety and marine envi ronment protection purposes stating that the
LRIT information specified in regulation V/19-1.5 was adequate in that respect and provided a
significant added value for these objectives,
1. AGREES that Contracting Governments may re quest, receive and use, LRIT information
for safety and marine environment protection purposes;
2. AGREES ALSO to reaffirm the presen t decisions within the framework of
regulation V/19-1.8.1 once regulation V/19-1 had entered into force;
3. INVITES the Marine Environment Prot ection Committee to note this decision.
