THE MARITIME SAFETY COMMITTEE,

RECALLING Article 28(b) of the Convention on the International Maritime

Organization concerning the fUnctions of the Committee,

RECALLING ALSO resolution MSC.5(48), by which the Committee adopted the

International Code for the Construction and Equipment of Ships Carrying

Liquefied Gases in Bulk (IGC Code),

RECALLING FURTHER article VIII(b) and regulation VII/ll.1 of the

International Convention for the Safety of Life at Sea (SaLAS), 1974, as

amended, concerning the procedure for amending the IGC Code,

BEING DESIROUS of keeping the IGC Code up to date.

HAVING CONSIDERED, at its sixty - third session,

Code proposed and circulated in accordance with article VIII(b)(i) of the

SaLAS Convention,

-

BEING DESIROUS of keeping the IGC Code up to date.

HAVING CONSIDERED, at its sixty - third session,

Code proposed and circulated in accordance with article VIII(b)(i) of the

SaLAS Convention,

1. ADOPTS, in accordance with article VIII(b)(iv) of the SaLAS Convention.

present resolution;

2. DETERMINES, in accordance with article VIII(b)(vi)(2)(bb) of the

SOLAS Convention, that the amendments shall be deemed to have been accepted

on 1 January 1998 unless, prior to that date, more than one third of the

Contracting Governments to the SaLAS Convention, or Contracting Governments

the combined merchant fleets of which constitute not less than fifty per cent

of the gross tonnage of the world's merchant fleet, have notified their

Objections to the amendments;

3. INVITES Contracting Governments to note that, in accordance with article VIII(b)(vii)(2) of the SaLAS Convention, the amendments shall enter into force on 1 July 1998 upon their acceptance in accordance with paragraph 2 above;

4. REQUESTS the Secretary-General, in conformity with article VIII(b)(v) of

-

article VIII(b)(vii)(2) of the SaLAS Convention, the amendments shall enter into force on 1 July 1998 upon their acceptance in accordance with paragraph 2 above;

4. REQUESTS the Secretary-General, in conformity with article VIII(b)(v) of the SaLAS Convention, to transmit certified copies of the present resolution and the text of the amendments contained in the Annex to all Contracting Governments to the SaLAS Convention;

5. FURTHER REQUESTS the Secretary-General to transmit copies of the resolution and its Annex to Members of the Organization which are not Contracting Governments to the SOLAS Convention.

Amendments related to application

1 Existing paragraphs 1.1.2 and 1.1.3 are repla ce d by the following:

"1.1. 2 Unless expressly provided otherwise, the Code applies. to s hips the keels of which are laid or which are at a stage at whi ch:

.1 construction identifiable with the ship begins; and

.2 assembly of that ship has commenced comprising at least 50 teunes or l' of the estimated mass of all structural mate rial, whichever is the less;

on or after 1 July 1998. Ships constructed before 1 July 1998 are to comply with resolution MSC.5(48) adopted on 1 7 June 1963 subject to amendment s by r e solution MSC.30(61) adopted on 11 December 1992.

1.1.3 A ship. irrespective of the date of construction, which is converted to a gas carrier on or after 1 July 1998, should be treated as a gas carrier constructed on the date on which such conversion commen
