THE MARITIME SAFETY COMMITTEE,

RECALLING Article 28(b) of the Convention on the International Maritime Organization concerning the functions of the Committee,

RECALLING ALSO that the Assembly, when adopting resolution A.373(X) on the Code of Safety for Dynamically Supported Craft (DSC Code) for Craft such as hydrofoil boats and air-cushion vehicles which were increasingly being introduced in international transport, authorized the Committee to amend the Code as may be necessary,

NOTING that dynamically supported craft continue to be constructed and operated internationally,

RECOGNIZING that the SOLAS Conference to be held on 17 and 24 May 1994 will be invited to adopt amendments which, inter alia, include a new chapter X on safety measures for high speed craft, to make the provisions of the International Code of Safety for High Speed Craft (HSC Code) mandatory under
