RECALLING Article 28(b) of the Convention on the International Maritime Organization con
cerning the functions of the Committee, RECALLING ALSO that the Assembly, when adopting
resolution A.373(X) on the Code of Safety for Dynamically Supported Craft (DSC Code) for
Craft such as hydrofoil boats and air-cushion vehicles which were increasingly being int
roduced in international transport, authorized the Committee to amend the Code as may be
necessary, NOTING that dynamically supported craft continue to be constructed and operat
ed internationally, RECOGNIZING that the SOLAS Conference to be held on 17 and 24 May 19
94 will be invited to adopt amendments which, inter alia, include a new chapter X on saf
ety measures for high speed craft, to make the provisions of the International Code of S
afety for High Speed Craft (HSC Code) mandatory under - will be invited to adopt amendme
nts which, inter alia, include a new chapter X on safety measures for high speed craft,
to make the provisions of the International Code of Safety for High Speed Craft (HSC Cod
e) mandatory under the 1974 SOLAS Convention, for craft constructed on or after 1 Januar
y 1996, RECOGNIZING FURTHER the need to incorporate improvements to maritime safety stan
dards made since the adoption of the DSC Code in the provisions of the current DSC Code
for craft constructed before the HSC Code enters into force, HAVING CONSIDERED at its si
xty-third session the text of the proposed amendments to the DSC Code, which were develo
ped while preparing the HSC Code by a thorough revision of the DSC Code, 1.

ADOPTS amendments to the DSC Code, the text of which is set out in the Annex to the pres
ent resolution; 2.

RECOMMENDS Governments to apply
