2 A certificate of competency issued by a Party in compliance with paragraph 1 shall be
endorsed by that Party attesting the issue of that certificate in the form as prescribed

in format 1 or 2 of section A-I/3 of the STCW-F Code.

3 Certificates and endorsements shall be issued in the official language or languages of the issuing country.

If the language used is not English, the text shall include a translation into that lang uage.

4 In respect of radio operators, Parties may: .1 include the additional knowledge requir ed by regulation II/6 in the examination for the issue of a certificate complying with t he Radio Regulations; or .2 issue a separate certificate indicating that the holder has the additional knowledge required by regulation II/6.

5 The Administration which has recognized a certificate issued by or under the authority --- URL: https://wwwcdn.imo.org/localresources/en/KnowledgeCentre/IndexofIMOResolutions/ MSCResolutions/MSC.561(108).pdf knowledge required by regulation II/6.

5 The Administration which has recognized a certificate issued by or under the authority of another Party in compliance with regulation I/7 shall issue an endorsement attesting the recognition of that certificate in the form prescribed in format 3 of section A-I/3 of the STCW-F Code.

6 The endorsement shall expire as soon as the certificate endorsed expires or is withdra wn, suspended or cancelled by the Party which issued it and, in any case, not more than five years after the date of issue.

7 Appropriate certificates of competency issued under the provisions of the 1978 STCW Co nvention for the holder to serve as a chief engineer officer, an engineer officer or GMD SS radio operator shall be deemed to be a corresponding certificate for the purposes of paragraph 1 with regard to fishing vessels.

In addition, the Administration shall ensure that the post in question is filled by the
holder of an appropriate certificate as soon as possible.

3 Each Party shall, as soon as possible after 1 January each year, send a report to the
Secretary-General giving information of the total number of dispensations in respect of
each capacity for which a certificate is required, including nil returns.

Regulation I/10 Equivalents 1 The Convention shall not prevent a Party from retaining or
adopting other educational and training arrangements, including those involving seagoing
service and shipboard organization especially adapted to technical developments and to s
